

Noons Creek CO-OP Policies	Date Issued	21 November 1990
Landscaping	Date Reviewed	17 April 1994
	Policy #	20

Adopted November 21, 1990

No member of the Co-op is to alter the existing common property landscape architecture without the prior written approval of the landscape sub-committee and the property committee.

A written request must be submitted to landscaping committee explaining the extent of the change and the work required. Should the landscaping architecture require permits, the member must provide permits and safe work plans prior to commencing work.
